MURRAY—Peter Marshall, M.D.—On behalf of the Medical Society of the County of New York we wish to express our deep sorrow at the death of our former President and Trustee, Peter Marshall Murray, M.D. Dr. Murray was a true pioneer in demonstrating the leadership role that the negro physician can bring to the councils of organized medicine. His wise compassion, and his calm and wise counsel in times of stress influenced the direction of our Medical Society for nearly two decades, and still does Dr. Murray was a true physician in the highest meaning of the term. In ways that they do not perhaps realize, the people of New York City and the physicians who serve them, will ever be in his debt.
